

PRAY!

- Use the Evangelization prayer at Sunday Masses, at other liturgical gatherings, at committee meetings
- Intercede for members of the evangelization team, parish leaders, and parishioners by name
- Ask for a greater outpouring of the Holy Spirit

CELEBRATE

- Individual members of the team who have contributed in particular ways
- The successes of the team
- The failures that you've learned from (...and those you haven't learned from)
- Publish your progress through the parish bulletin or website

ADAPT

- Change roles on the team – maybe look at a new chair?
- Invite new individuals to join the team

REINVEST

- More in people, less in programs
- Revisit your Year 1 goals and use them to inform the work of Year 2
- Reflect on how families represented in your evangelization team goals
- Consider an evangelization team retreat

Re-forming & Adapting Evangelization Teams

How have the efforts for Evangelization in your parish/school/campus ministry been successful over the past several years?

How have the efforts for Evangelization in your parish/school/campus ministry been challenging over the past several years?

How do you think you could reach the next tier of parishioners in your parish?

How can you advance the work of evangelization and not invest in a program?
