Catholic Weekends are presented in the United States and Canada in English, Spanish, Korean or French depending on location. Weekends are available in many faith expressions, but none are exclusive. Married couples of any faith are welcome on any Weekend.

WWME is faithful to the Roman Catholic Church's teaching that marriage is a covenant that exists between one man and one woman. Any reference to marriage or couple made by WWME is in this context.

Weekends begin on Friday evening and end on Sunday afternoon. They are held in hotels, retreat houses, parishes, or conference centers. Your room for two nights and five meals are included. Meals begin with breakfast on Saturday through lunch on Sunday. Extended check out is also included.

There is a non-refundable application fee for the Weekend. In addition, a voluntary donation is requested at the close of the Weekend to help with expenses. Worldwide Marriage Encounter is a non-profit organization committed to enriching marriages throughout the world.

The above comment has been heard from couples married for a few years to couples married for decades. The reason for the glowing comment is simple. Couples learn how to rekindle the passion in their relationship and learn how to keep their love growing year after year.

The time spent with each other on this extraordinary Weekend of Discovery can enrich your marriage in ways you never thought possible. You have the opportunity to recapture your dreams and rediscover yourselves as individuals and as a couple.

"We fell in love all over again during our Weekend."

A Weekend of Discovery...

Weekend topics include:

- **Exploring our personality styles.**
- **Communicating our feelings.**
- **Dealing with the busy world around us.**
- **Learning how to improve our listening skills.**
